OPEN DOOR MISSION

Consider how it would be to be without work, without a place to call home, with no where to go and no friends or family to support you. Unfortunately this is a true reality for the homeless people in our community. The Open Door Mission is the hand that reaches out to these hurting people and provides food, shelter, counseling and spiritual support to help men, women & families get back on their feet and be self sufficient.

On Sunday, September 9, 2007 in Old Town Square, from 10:00am-2:00pm the *Open Door Mission* is celebrating their 20th year of service. The event "**Help the Homeless 2007**" will include music, entertainment, key note speakers, food & entertainment. This fund-raiser is to raise desperately needed funds to support the homeless. All proceeds will benefit the homeless people at the Open Door Mission and those yet untouched by its work.

Please consider making a special contribution for this fund-raiser or by becoming a sponsor.

Our goal is to raise \$50,000.00 in the next few months that will directly go to helping over 5000 homeless men, women and children in our shelter for 2007. Please consider helping these men, women and children.

Sponsorships: (deadline for sign up July 12th)

Premier \$2,000 includes logo on banner at event, logo on poster, radio name recognition, company/personal name in monthly newsletter, logo in all advertising, name recognition at event.

Silver \$1,000 includes logo on banner at event, logo on posters & name recognition at event.

Thank you so much for your thoughtful consideration of our request.

Best regards

DONOR PARTNERS

As with any ministry or organization there are rules for staying here.

1. No alcohol
2. No drugs
3. No bad attitude
4. Do not fraternize with any person in a sexual way

Obey rules & you are encouraged to stay and get a fresh start.

Christ is our foundation. All have sinned so we do not treat one sin worse than another. People are not born doing sinful things. We all make choices. God delivers us from our sins and cleanses us. In starting a new life help is often needed and that is what we do.

We recognize that we are responsible to the community so if any trouble comes from a client's staying here that person may be asked to leave.

We have said all this in recognition that once again the newspaper did not state my remarks accurately. We do not put anyone out because of sexual preference.

ADMISSIONS POLICY

We take in people of all ages, genders, religion, race, disability, veteran status, or lifestyle. We do not discriminate, but we will not allow people who have been convicted of a violent crime or convicted of child molestation to stay here, and racial prejudice will not be tolerated. We will take parolees and people on probation.
