### 20th Anniversary Celebration!

#### What a day it turned out to be.

You know how you always have that feeling in the pit of your stomach right before an event you helped organize is to take place? Well that's how I felt right before Sunday Sept 9th. Sundays are not the best days, and then we had picked the one Sunday that the Denver Broncos kicked off the football season with their first game. If you were there you know it was a bit chilly. However, The highlight of the day was definitely the two bands who played and I know their fingers were cold and they both had brass instruments which were affected by the weather, and its hard to keep the guitars in tune when it is cold. I do want to thank *Cori Schrader* our fundraiser, *The Archie Funker* and *Edgewater Juke* bands who donated their time and drew in the people and asked for support.

You guys are awesome.

**THANK YOU!!!!**

## *Thrift Store Coming*

If you have driven by the Mission lately perhaps you have noticed the construction. We are going to open a small Thrift Shop on the premises and we might even open a coffee shop. We have not been taking donations because during the construction we have had no way to store anything. We will be accepting them once we are open. I know we are looking forward to an October 1st opening and the men are working hard to have that happen. Just keep an eye out for the

**GRAND OPENING!**

This past week

I was called to the home of the  
Stockovers.

He has been diagnosed with terminal  
cancer.

Yet, his thoughts are about the  
homeless and hurting.

How precious can a soul be when ly-  
ing in bed in such pain he puts others  
first.

This is beyond words.  
God Bless you my friend..
