2007

A year of Blessings and Struggles

Many problems solved in peoples lives yet never enough solved. I believe in perfection. Finances have been met but prices of material things keep raising. We see more hurting people reaching out for help from Open Door Mission. New fold up beds are needed in 2008. We are remodeling for 2 new family rooms. Darren Thebo has proved to be a huge benefit as a carpenter, plumber and more.

Sister Pat Cook has been led of the Lord to get deeply involved in the Ladies Center. Our Thrift Store is being readied.

Thanksgiving went very well and I am thrilled that Christmas did also.

God has always blessed us in being able to be a blessing to others. I am also writing this letter to let you know your donations give us success in helping others. I ask for your continued support. We need you!
