WHY A THRIFT STORE?

Building to build self-respect and to help the shelter as well. Paying for something gives people a feeling of "this is mine" Giving free all too often gives the feeling of "hand me downs". Open door Mission will open a thrift store offering items at small prices. We won't carry clothing as Christ Center and Mary's Closet do a wonderful job already. Both places give free clothing.

We will open soon. All proceeds will go to support our non-profit ministry. Helping people learn to help themselves. It will be a different store with unique merchandise and the store will be located right here on the property.

Watch for us. Be a part of us. We probably have just what you have always wanted.

You are also invited to call and set up a time to see our two new family rooms and lounge. Everyone says the same thing. "I didn't know you did so much inside. It looks so small outside.

True it is small but we are creative. Come and see.

We receive notes and letters from many of our donors. Perhaps you are one of those who thought of writing but have not done so. We have put some here to say thank-you to them and to encourage you to write us. Remember there is a section in the Coloradoan where you can write your opinions as well. We do this because we know our reputation is sound. We delete the names because they may not want it given. We never give out a donor's name to anyone who does not work for Open Door Mission.

Rev. Thebo

Dear Rev. Thebo,

I just wanted to say "Thanks" for helping all those people who show up at your door, who have lost everything and perhaps everyone they had. My vision of God is very different from yours, but it doesn't matter because a good soul is the same no matter where your point of reference is. I have a chronic illness that hinders my life and makes it very difficult. I don't know how much longer I can work, but as long as I can, I will keep sending you a little money because I believe in what you are doing. I wish there were more people like you.

Sincerely

Dear Rev. Thebo,

Please know that you, your staff and your work is in our prayers daily. My heart (&my husbands) goes out to those less fortunate than ourselves. The Lord had laid it on our hearts to help the hungry. My heart aches for those that have nothing especially children. Please pray for us that the Lord will bless us with the knowledge to earn an abundance so that we may help more and more.

We are working on trying to make that happen.

We feel the Lord wants us to be successful.

Please use this tithe to feed your people in need.

God Bless you.

Reverend Thebo and Staff,

This donation comes courtesy of the employees of Best Rental who all decided to give just a small amount to help provide this Thanksgiving. Ron, the owner, generously agreed to match personally what we gave and gave from the business as well. Enclosed are the results of our collection.

Thank you for the opportunity to remind us how truly blessed we are and how little it takes to help others significantly.

May the good Lord continue to bless your efforts. Have a wonderful Holiday season.

Sincerely

So I was just going to send my donation but then it hit me. Why not round up some extra cash to help out. So I took the envelope to work and all together rounded up \$87.55. The rest is my personal contribution. Hope it helps out for those less fortunate!
